MUHAMMAD MOHSAN

Administration & Finance Intern

Florence, Italy · Contact details available on request

Based in Florence · Eligible to work in Italy · Available immediately

PROFILE

Finance graduate based in Florence (Master's in Finance and Risk Management, University of Florence; BS in Statistics), available immediately for a six-month Administration & Finance internship. Over four years running a business unit in Bahrain taught me precision and reliability: a 98% error-free record across a high volume of payments, with accurate daily transaction records. As a research intern I collected, checked and organised financial data and followed up with the team to meet deadlines. Advanced Excel, plus Power BI, SQL and Python for organising information and simplifying repetitive tasks. Fluent English.

EDUCATION

University of Florence — Florence, Italy
Master's in Finance and Risk Management — Graduation 14 Oct 2026

- Thesis: Dynamic Correlation, Tail Risk, and Optimal Portfolio Allocation: Evaluating the Role of Cryptocurrencies in Multi-Asset Portfolios
- Quantitative thesis built on careful collection and checking of financial data.

COMSATS Institute of Information Technology — Islamabad, Pakistan
Master's in Project Management — 2016

Government College University — Faisalabad, Pakistan
BS (Hons) Statistics — 2014

PROFESSIONAL EXPERIENCE

Saturn Consultants — Bahrain
Research Associate Intern — Feb 2023 – May 2023

- Collected, checked and organised financial data for financial and risk management client projects.
- Followed up with the project team to meet deadlines and deliver accurate work on time.
- Drafted reports that turned financial data into clear findings for clients.

Leaves Wedding WLL — Bahrain
Branch In-Charge — Aug 2017 – Oct 2021

- Kept accurate records of daily transactions and dealt directly with customers.
- Processed a high volume of cash and card payments through cash registers and POS systems with a 98% error-free record.
- Managed day-to-day branch operations independently for over four years.

CERTIFICATIONS

- Investment Foundations Certificate — CFA Institute (2026)
- Financial Markets — Yale University, via Coursera (2025)
- Google Data Analytics Professional Certificate — Coursera (2022)
