MUHAMMAD MOHSAN

Capital Markets Intern

Florence, Italy · Contact details available on request

Based in Florence · Eligible to work in Italy · Available immediately

PROFILE

Finance graduate (Master's in Finance and Risk Management, University of Florence; BS in Statistics) applying for the Capital Markets internship. Strong interest in capital markets and corporate finance, backed by the Yale Financial Markets course and the CFA Institute Investment Foundations Certificate. My thesis on portfolio allocation, dynamic correlation and tail risk built solid financial and market analysis skills. Research experience in Bahrain collecting financial data and drafting reports with clear findings for clients. Advanced Excel and PowerPoint, fluent English.

EDUCATION

University of Florence — Florence, Italy
Master's in Finance and Risk Management — Graduation 14 Oct 2026

- Thesis: Dynamic Correlation, Tail Risk, and Optimal Portfolio Allocation: Evaluating the Role of Cryptocurrencies in Multi-Asset Portfolios
- Market and portfolio analysis using correlation and tail-risk measures: relevant to market, sector and financial analysis.

COMSATS Institute of Information Technology — Islamabad, Pakistan
Master's in Project Management — 2016

Government College University — Faisalabad, Pakistan
