Based in Florence · Eligible to work in Italy · Available immediately

PROFILE

Finance graduate based in Florence (Master's in Finance and Risk Management, University of Florence), available immediately for the Finance Specialist / Project Controller role. I combine finance and risk training with a Master's in Project Management, a good fit for monitoring project costs, margins and variances against budget and forecast. I bring high accuracy (98% error-free record across four years of high-volume transactions) and experience turning financial data into clear reports. Advanced Excel, Power BI, SQL and Python for reporting and automation; fluent English.
