MUHAMMAD MOHSAN

Internship – Financial Services Operations (Treasury)

Florence, Italy · Contact details available on request

Based in Florence · Eligible to work in Italy · Available immediately

PROFILE

Finance and Risk Management graduate (University of Florence) with a BS (Hons) in Statistics, applying for the Financial Services Operations – Treasury internship. Over four years running branch operations in Bahrain, I processed a high volume of payments with a 98% error-free record and kept accurate daily transaction records. Research work on financial and risk projects taught me to collect, check and report financial data clearly. Advanced Excel, SQL, Python and Power BI; fluent English and available immediately.

EDUCATION

University of Florence — Florence, Italy
Master's in Finance and Risk Management — Graduation 14 Oct 2026

- Thesis: Dynamic Correlation, Tail Risk, and Optimal Portfolio Allocation: Evaluating the Role of Cryptocurrencies in Multi-Asset Portfolios
- Quantitative thesis on correlation and tail risk: good grounding in liquidity and market-risk concepts.

COMSATS Institute of Information Technology — Islamabad, Pakistan
Master's in Project Management — 2016

Government College University — Faisalabad, Pakistan
BS (Hons) Statistics — 2014

PROFESSIONAL EXPERIENCE

Saturn Consultants — Bahrain
Research Associate Intern — Feb 2023 – May 2023

- Collected, checked and organised financial data for financial and risk management client projects.
- Followed up with the project team to meet deadlines and deliver accurate work on time.
- Drafted reports that turned financial data into clear findings for clients.

Leaves Wedding WLL — Bahrain
Branch In-Charge — Aug 2017 – Oct 2021

- Processed a high volume of cash and card payments through cash registers and POS systems with a 98% error-free record.
- Kept accurate records of daily transactions and dealt directly with customers.
- Managed day-to-day branch operations independently for over four years.

CERTIFICATIONS

- Investment Foundations Certificate — CFA Institute (2026)
- Financial Markets — Yale University, via Coursera (2025)
- Google Data Analytics Professional Certificate — Coursera (2022)
