Intern – Financial Services for SMEs (Credit)

Florence, Italy · Contact details available on request

Based in Florence · Eligible to work in Italy · Available immediately

PROFILE

Finance and Risk Management graduate (University of Florence) with a BS (Hons) in Statistics, applying for the internship in financial services and credit for SMEs. I am strongly motivated by the financial sector and bring data analysis skills in Excel, SQL and Python. Over four years managing a branch in Bahrain I dealt directly with customers and processed a high volume of payments with a 98% error-free record. Research work on financial and risk projects taught me to organise data and report findings clearly.
