MUHAMMAD MOHSAN

Finance Intern – Industrial Cost Control

Florence, Italy · Contact details available on request

Based in Florence · Eligible to work in Italy · Available immediately

PROFILE

Finance graduate based in Florence (Master's in Finance and Risk Management, University of Florence; BS in Statistics) applying for the Finance internship in industrial cost control. My statistics background and advanced Excel skills suit cost calculations, consumption checks and keeping production data accurate and up to date. Over four years running a business unit in Bahrain with a 98% error-free record in high-volume transactions taught me precision and organisation. Research experience collecting, checking and reporting financial data for client projects, plus Power BI, SQL and Python. Fluent English, Italian improving.

EDUCATION

University of Florence — Florence, Italy
Master's in Finance and Risk Management — Graduation 14 Oct 2026

- Thesis: Dynamic Correlation, Tail Risk, and Optimal Portfolio Allocation: Evaluating the Role of Cryptocurrencies in Multi-Asset Portfolios
- Quantitative thesis using statistical and risk models: a solid base for cost analysis and data checks.

COMSATS Institute of Information Technology — Islamabad, Pakistan
Master's in Project Management — 2016

Government College University — Faisalabad, Pakistan
