Florence, Italy · Contact details available on request

Based in Florence · Eligible to work in Italy · Available immediately

PROFILE

Finance graduate (Master's in Finance and Risk Management, University of Florence; BS in Statistics) applying for the six-month Junior Financial Accountant internship. I bring a precise, structured approach to financial data: checking and reconciling figures, keeping accurate records and preparing clear financial reports. Over four years running a branch in Bahrain, I processed a high volume of payments with a 98% error-free record and kept daily transaction records, plus research experience preparing financial data and reports for client projects. Advanced Excel, Power BI and SQL; fluent English, Italian at basic level and improving.
